

KICKASS CREATIVE JONNY GROVES

KICKASS BECAUSE...

I'm a passionate and creative smart ass who loves nothing more than a challenging UX/UI problem to solve intelligently. My curious open minded approach twinned with 20 years in the game means I eat deadlines for breakfast and know my way round a creative brief like Waze knows it's way around Florentine. I'm a confident communicator, and team leader who remains 'part of the team'.

I SERIOUSLY KICKASS AT...

- UX/UI with extensive background in B2B and B2C environments
- Wireframing and prototype planning and production
- Project / Production Management, Traffic Scheduling, Budgeting
- English Mother-toungue and Fluent Hebrew
- Part Code Monkey - HTML, CSS, Wordpress, etc
- Great copy writer with stacks of commercial experience
- 10 years leading creative teams in online gaming
- Social Gaming, Social Marketing for both web and mobile
- Game Producer and Game Designer (Casual, Social and Casino)
